- Pay off student loans

Frustrations

- Eating too much take-out
- Not enough time for grocery shopping
- Spending more money than they want on meals

Personality

Bio

Laura and Jenna are two 25 year-olds recently out of college and are trying to make it in the big city! Laura is a teacher at a local elementary school and teaches yoga in her spare time. Jenna is a Barista at the local coffee shop who also balances night classes to attain her master's degree in nursing. Laura and Jenna work long and tiring hours and usually don't have time to go to the grocery store and prepare meals. Both are vegetarians and prefer local fresh foods. They are open to having adventures on the weekends and enjoy going out and socializing.

We cooked our first meal tonight it took around 40 minutes. All of the ingredients were fresh, seemed above average quality, the food was good and for \$10 p/p this is very economical. We also like that you can go onto their website and pick what meals you want.

"I've always wanted to make more home-cooked meals with [fresh ingredients](#)." in 20 reviews

"The [instructions](#) are easy to follow and timed so that the meals come together nicely." in 33 reviews

"The [recipes](#) were different and easy to follow, and the finished products were delicious." in 179 reviews
