

MUCK RACK

COMPANY OVERVIEW

Public Relations Management

SMARTER PR WITH POWERFUL,
EASY-TO-USE SOFTWARE

PR is a Critical Yet Underserved Part of Marcom

Trends and Opportunity Within the Public Relations Landscape

THE MARKETING ECOSYSTEM

Earned Media

(Public Relations, Word of Mouth)

Paid Media

(Advertising)

Owned Media

(Branded Content)

PR IS CORE TO EARNED MEDIA SUCCESS

Public Relations is Growing in Complexity

- Managing brand perception is more difficult than ever
- Legacy PR software incumbents fail to deliver a seamless, integrated experience
- In addition to journalists, PR pros need to communicate with podcasters, newsletter writers and other emerging voices

Earned Media Has Become the Leading Marketing Strategy

- 90% of people believe authenticity is important and user-generated content is most authentic and influential ⁽¹⁾
- Digital advertisements (paid media) are seen as the least trusted form of content ⁽²⁾

Defining the PR Management (PRM) Category

Integrated Platform with a Data Feedback Loop that Drives Increased PR Value

FOR PR TEAMS

Discover the most relevant people and media outlets across digital, broadcast, print, podcasts, newsletters and social

Customers say Muck Rack is...

"Muck Rack is like Google, if Google had spent all of their R&D time and money trying to develop their products to be used only by PR professionals and reporters."

David Weissmann

PUBLIC RELATIONS MANAGER, VERIZON

"Muck Rack is the PR equivalent of Netflix to Blockbuster. It's time to retire your Blockbuster card for a Netflix subscription."

Ellen Murphy

SENIOR VICE PRESIDENT, SYNEOS HEALTH

"Muck Rack is the map, compass and GPS for navigating the ever evolving media and journalist landscape. Truly without them, as a PR practitioner, I would be lost."

Matt Prince

HEAD OF MARKETING COMMUNICATIONS, TACO BELL
