Personalized Tech Training

Have a new product idea?

**Hire ENGINEERS
to build it!!**

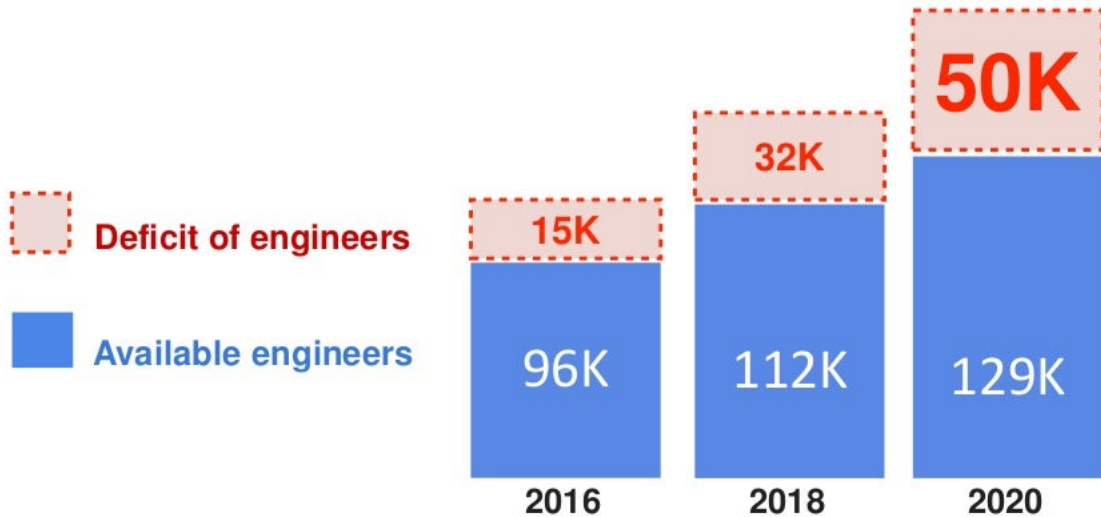

Hiring engineers is NOT easy!

Oh No!

Japan ranked last choice in Asia for top foreign tech talent

-- Bloomberg, Nov 2017

Our Motivation: 深刻なIT人材不足

Source: 経済産業省 / METI

**Training Systems in Japan
don't teach people to do real projects**

**\$5B
Market**

What is Tokyo Techies?

PERSONALIZED TECH TRAINING

to help companies and individuals
build software/robots from scratch
