The background image shows a crowded street in India, likely in a city like Delhi. There are many people, some on motorcycles, and several vehicles including a white van and a blue auto-rickshaw. The buildings are multi-story and have various signs, including one for 'Jai Guru Medisafe Engineers' and another for 'PAINTS'. A large white text '\$50B' is superimposed over the center of the image. A blue arrow points from the word 'HERE' (which is partially visible in a blue cloud-like shape) to the '\$50B' text.
