

The marketplace for commercial open-source

 <http://angel.co/binpress>  founders@binpress.com

A platform for **monetizing** open-source

Commercial open-source

The screenshot shows a web browser window displaying the binpress website. The header includes the binpress logo, navigation links for 'START ...' and 'LANGUAGE ...', a search bar for 'Search projects ...', and user options for 'LOG-IN' and 'SIGN UP'. The main content area features a product listing for 'iPad Newsstand PDF starter Kit'. The product is marked as 'FEATURED' and was developed by Basispress, released on Feb 4, 2013. It has a 5-star rating (5 ratings) and is described as a mobile magazine publisher solution. The price is listed as \$349.99+ with a 14-day money-back guarantee. A blue banner at the bottom of the product listing states 'Saves you 400 dev hours / \$24,000 *'. Below the product listing, there are tabs for 'DESCRIPTION', 'REVIEWS 5', 'COMMENTS 97', 'ISSUES 22', 'SUGGESTIONS 4', and 'DOWNLOADS'. The 'DESCRIPTION' tab is active, showing a heading 'A Complete NewsStand Solution for Magazine publishers!' and a paragraph describing the component as a fully featured NewsStand solution for magazine publishers or software companies catering to the publishing industry. A list of features is also visible: Integration with readers, Workflow, Quick start, Requirements, and Package.
