Wearable Air Bags

SPORTS BUZZ A new innovation in safety makes motorcycle riding slightly less foolhardy. Granes and other motorcycle gear manufacturers are releasing designs that look almost like life jackets. Readers of Neal Stephenson's *Snow Crash* will recognize the idea.

SoBro, Manhattan

CULTURE BUZZ The strange area of Manhattan where Chinatown overlaps with the Lower East Side has a new name: SoBro. No, we're not talking about the South Bronx. SoBro is a micro-neighborhood south of Broome but north of Canal, between Chrystie and Essex. Here's our guide New York's hottest new neighborhood!

Intellectualizing "The Hills"

TV BUZZ The New York Times describes the third season of *The Hills* as having an "Anneenon plotlessness" and considers Heidi Montag to be some sort of "feminist hero." We wish we were still in college so we could write our women's studies thesis on the bastion of feminist theory that is *The Hills*. But we might consider writing an essay just for fun chronicling the Hegelian evolution of our brooding heroine LC, starting with her Laguna Beach days.

Hipster Librarians

CULTURE BUZZ They're young, they're classy, and they're making the Dewey Decimal system sexy (although the librarians themselves don't necessarily agree). Take a look, it's in a book! The Tina-Tey-lookalikes who are reimagining the card catalogs these days are making reading fun again.

Guitar Hero: On Tour

TECH BUZZ You can play Guitar Hero on the go this summer when it becomes the Nintendo DS, complete with a portable little fingerboard contraption called the Guitar Crip. It is kind of like being on tour! Except without all the fun parts, like the drugs and the groupies.

STYLE BUZZ Affordably-priced Swedish clothing label Cheap Monday's more tailored, polished line. There's only a few pieces so far, but they look promising: skinny black mod suits for guys, suspender skirts for girls, and a loose-fitting plaid unisex shirt.

Barry

WILDMAN BUZZ Newsweek has a lengthy article explaining why Obama went from being called Barry to Barack. Barry was always just a nickname; he decided to start using Barack when he started college. He had a friend in college who did the same thing, and it's really confusing to hang out with his friends from high school when they call him Ben all the time, because his real name is Chris.
