A photograph of four elderly people, two men and two women, gathered around a smartphone. They are all smiling and looking at the screen. The woman on the left is wearing a beige sweater and a patterned scarf. The man next to her is wearing a blue and white plaid shirt. The woman in the foreground is wearing a pink knitted sweater. The man on the right is wearing a white shirt and a blue shawl. They are sitting in a room with large windows in the background.

An elderly woman with short, wavy white hair and red lipstick is sitting on a floral patterned couch. She is wearing a white top and a light-colored cardigan with a blue floral pattern. Her hands are clasped in her lap, and she is wearing several rings and a watch. To her left is a large brass bowl filled with red and purple flowers. Behind her is a white wall with a large, ornate gold-framed mirror. To the right, a doorway leads to another room. The text "They want to stay in their homes" is overlaid in white serif font on a semi-transparent dark grey band across the middle of the image.
